Blue Analysers

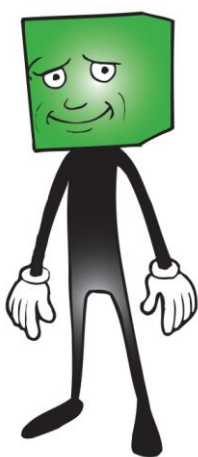

Song Sung Blue

Song sung blue, everybody knows one
Song sung blue, every team should have one
Just give me facts, and I'll relax and listen to what you say
Sometimes you might think I am abrupt, that is my Analyser voice
I simply got no choice

Yellow Players

Fun, Fun, Fun

Listen everybody, you've just got to get some
fun in your work now
With a smile on your face and a twinkle in your eye
you can help now
You've gotta get the people laughing and a smiling
just as much as you can now
You've gotta have fun, fun, fun and chase all your cares away

Green Safekeepers

Green, Green Grass of Home

Oh, I'm, not fond of change
I'm happy, with just the same
And to reach me, be on time & neat and tidy
Oh, I love a checklist and I like things my way
And the toilet roll, is always this way
Oh, I love my world, in my green, green world I'm at home

Red Carers

All You Need Is Love

All you need is love da, da, da, da, da
All you need is love da, da, da, da, da
All you need is love, love
Love is all you need
